Dear Sir / Madam

Re: Advance Notification of Resurfacing Works Lenton Road (Castle Entrance to Island) and Tennis Drive (Including a section of Tunnel Road to Tattershall Drive)

We are writing to inform you of forthcoming resurfacing works commencing 18th April 2017 on the above roads. Resurfacing will be carried out under a road closure between 8am & 5pm. A diversion route will be in place for traffic where necessary. Notices will shortly be positioned along the route to advise drivers of the road closures.

The programme of dates is below for each road.

1. Planing of Tennis Drive and Lenton Road (traffic management provisions in place) Tuesday morning 18.04.17. Tennis Drive will be planed at 8am. Lenton Road will be planed after 9am to allow for commuting traffic
2. Lenton Road closure Tuesday 18.04.17 to Thursday 20.04.17 (open in the evenings) Peveril Drive bollards will be lowered during the Lenton Road closure.
3. Tennis Drive closure Friday 21.04.17 to Tuesday 25.04.17 (open in the evenings and over the weekend)

A plan showing locations of works can be viewed online at:

www.nottinghamparkestate.co.uk

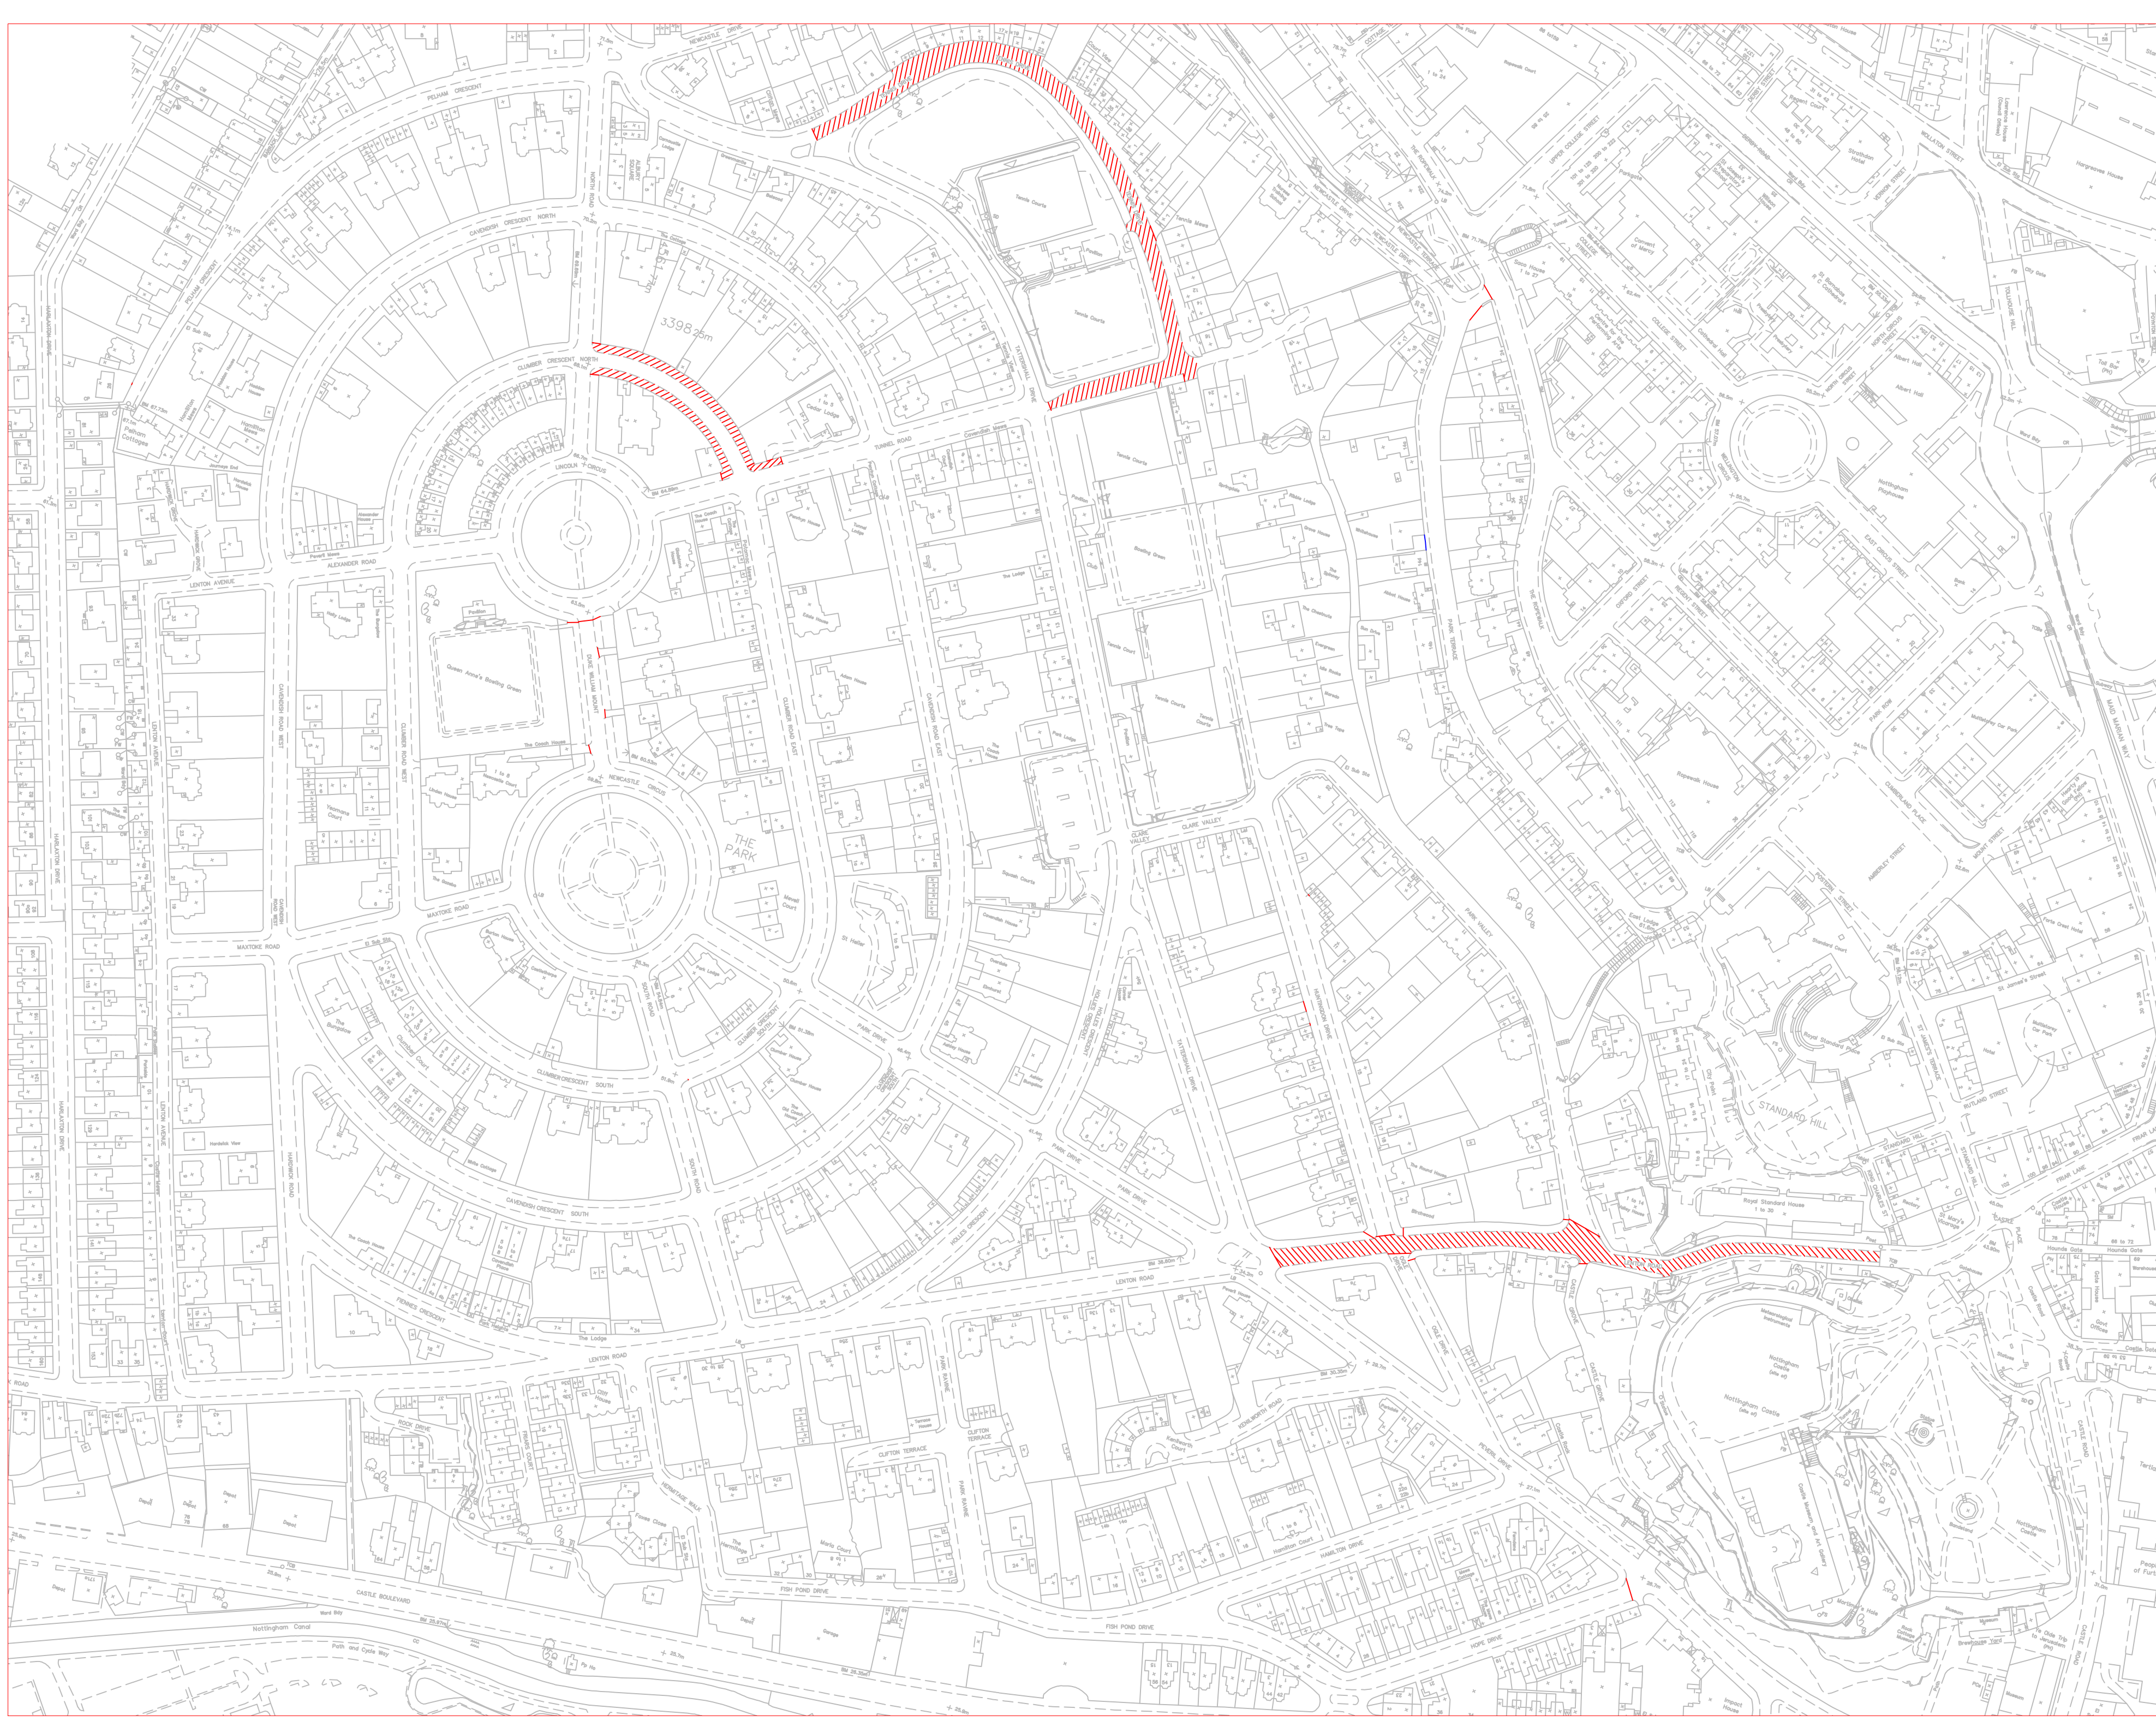

Where possible, we will try to maintain vehicular access for residents to private frontages. This will be only when safe to do so and as site operations allow with access being controlled by Thomas Bow Ltd who will manage the access to and from the roads. Unfortunately, there will be periods when vehicular access will not be possible so please be prepared to make other access arrangements. Thomas Bow will be able to provide advice on likely access windows as the works progress. Parking will be suspended on the roads during working hours. You may park on alternative roads; however, a note must be placed on show.

Should you require further information please call the Estate Office on: 0115 947 4273.

Thank you for your patience during these necessary works.

Yours faithfully

Tom Ridley BSc (Hons)
Building Surveyor
