Hope Drive Residents

Dear Residents

### **Re: Advance Notification of Traffic Management on Hope Drive**

Further to my correspondence on the 24<sup>th</sup> April 2018, outlining the resurfacing works to the island on Fishpond and Hamilton Drive. I am writing to inform you of the traffic management that will be in place to facilitate these works. It will be necessary to suspend the one-way system between 0800hrs and 1700hrs on the 16<sup>th</sup> May 2018. Access and egress along Hope Drive will be managed by traffic marshalls to ensure safety. Marshalls will be in place at the entrance to Hope Drive at Peveril Drive and on the corner by the gates to Castle Boulevard. Please make the Marshalls aware that you wish to move your car, so they can escort you 'the wrong way' along Hope Drive to ensure safety for everyone

A plan showing location of works can be viewed online at: [www.nottinghamparkestate.co.uk](http://www.nottinghamparkestate.co.uk)

Should you require further information please call the Estate Office on: 0115 947 4273.

Thank you for your patience during these necessary works.

Yours faithfully

Adam Lloyd  
General Manager
