1<sup>st</sup> April 2019

Dear Nottingham Park Estate Residents,

### **Event in Park Tunnel for Cave City Festival**

I am writing to notify you about an event in the Park Tunnel as part of Cave City Underground Festival 2019, taking place across Nottingham from Friday 5<sup>th</sup> – Tuesday 9<sup>th</sup> April.

Nottingham City Council have collaborated with BeatFeet African Drumming to host an event in Park Tunnel on Tuesday 9<sup>th</sup> April. Set up for the event will begin at 5.30pm with SAA Services who will clear the tunnel of any litter and arrange 30 chairs. BeatFeet Community Drumming Group will then perform 7.15-7.45pm, followed by a ticketed workshop 7.45pm-8.45pm. Everyone will be off site by 9.15pm.

The workshop will have a maximum of 30 participants, and we do not expect more than 40 people in attendance throughout the evening. I will be there as a Nottingham City Council representative and will act as a steward for the event.

The performance is free for all to attend, so we would be delighted to see you there. Tickets for the workshop can be purchased through [www.whatsonnottingham.com/cavecity](http://www.whatsonnottingham.com/cavecity), where you will also find further information about the entire festival.

Please do not hesitate to contact me with any further queries. I can be contacted in the office on 0115 876 5205 and will be available on 07903 759509 during the event.

Yours Sincerely

**Chelsey Everatt**  
Cultural Development Officer  
Nottingham City Council
