September 2019

Dear Local Resident/Business,

As the date of the 2019 Ikano Bank Robin Hood Half Marathon approaches we are writing to tell you that the event is coming to your area, and of the traffic management measures which may affect you.

As organisers, we appreciate there will be some disruption, which we hope you understand is unavoidable when staging such a large mass participation event and we thank you for your patience and cooperation in advance of race day.

**General Information**

Event: The Ikano Bank Robin Hood Half Marathon  
Date: Sunday 29th September 2019  
Start Time: 09.30 from Victoria Embankment

**Road closures**

We have worked very closely with Nottingham City Council and the Park Estate to agree a full traffic management plan, which will be safe for the runners and cause the minimum amount of disruption to residents and other road users. However, there will be times when some roads will be closed to traffic and parking restrictions will be in place, which are necessary to host such a large road race. If you are affected and need to be somewhere on the day, please plan your journey in advance and if possible can we ask you consider moving your car to a nearby street, which is not affected.

Here are the Traffic Management measures on Sunday 29<sup>th</sup> September in your area...

Road	Length of road affected	Type	From	To
Lenton Road	From Friar Lane to Hardwick Road	Closure	08:30 (resident movement permitted till 09.25)	10:35

Castle Boulevard	Whole road	Closure	08:30	13:10

For up to date information and full details of all affected roads in the City please visit [www.robinhoodhalfmarathon.co.uk](http://www.robinhoodhalfmarathon.co.uk), email [info@goldlineevents.co.uk](mailto:info@goldlineevents.co.uk) or call the Help Line on 0778 813 7117 until 4pm on Friday 29th September 2019.

**The Race Team**

On race day there will be over 500 people managing the route who play a vital role in making the race happen. All of these people volunteer their time and come to us from local charities and organisations that have supported the event for many years. Please bear in mind that the person at the end of your street is a volunteer. If you need assistance, they will do everything they can to help, although they may need to refer you to the Route Manager or take down your details and pass to the Race Director.

The Ikano Bank Robin Hood Half Marathon is a landmark event for the City and will see up to 12,000 runners participate; elite athletes looking to beat their personal best time and some runners for whom just getting to the finish line will be a massive achievement. Entering a Half Marathon is not for the faint hearted and takes determination, commitment and a lot of will power. We hope that you will support our runners and welcome the thousands that flock to your beautiful City each year to take part by cheering them on as they go past, most of whom will be raising thousands of pounds for local charities and will really appreciate your support.

Thank you for in advance for your patience and cooperation,
